## The Race for Indian Goldmine-Uncorn Club

The lockdown that destroyed traditional businesses proved to be a boon for Indian start-ups, which are today scaling at a pace unlike never before. With 40+ unicorns currently, India is on track to have a 50 plus strong 'Unicorn club' in 2021. The expected surge in M&As and IPOs will also add to the already burgeoning valuation of start-ups. With a new wealth-creating opportunity now on the radar, more Families are exploring ways to gain a share of this 'unicorn-club' pie.

### KEY TAKEAWAY

- Decode the process to identify & evaluate potential unicorns
- Get insights on the pros and cons of investing in existing unicorns as they look forward to launching their IPOs
- Understand is this trend here to stay and should families allocate wealth to this asset class
